The outfit for a picture lecture costs so little that the expense is scarcely to

be considered when a whole community is interested in the project.

There are towns in southern Califor-

da which maintain regular booming

offices in Los Angeles, the metropolis of the district. At certain intervals pic-

ture lectures are given, the dates being advertised in the local press. The ad-

mission is free. Thousands of tourists from all parts of the country are at

tracted to the hall where the show takes place. Many of these are attract-

ed to the town which is the subject of the show. Some of them buy lots,

his own premises and to pile the gar-bage and trash in the street in from

of his house. The town furnished wagons to make the rounds and haul the trush away. Other men were employed to clean the streets, and by

evening everything was spick and span. Now the people of Hope intend to keep their town that way.

A Bargain.
